Verse -same as first-:

There's a thousand ways for things to fall apart
 But it's no one's fault, no it's not our fault
 And baby all the plans we made might not work out

But I have no doubt, even though it's hard to see
I've got faith in us and I believe in you and me

So hold on to me tight
Hold on, I promise it'll be alright
Cause it's you and me together
And baby all we've got is time
So hold on to me, hold on to me tonight
