Intro:

I'm at a payphone trying to call home
 All of my change I spent on you
 Where have the times gone baby
 It's all wrong, where are the plans we made for two

Verse:

Yeah, I, I know it's hard to remember
 The people we used to be It's even harder to picture
 That you're not here next to me You say it's too late to make it
 But is it too late to try? And in our time that you wasted
 All of our **Bridges** burned down

Pre-Chorus:

I've wasted my nights You turned out the lights
 Now I'm paralyzed Still stuck in that time when we called it love
 But even the sun sets in paradise

Chorus:

I'm at a payphone trying to call home
 All of my change I spent on you
 Where have the times gone baby
 It's all wrong, where are the plans we made for two
 If happy ever after did exist
 I would still be holding you like this
 And all those fairytales are full of xxxx

One more xxxxen love song I'll be sick
