

Title	Sound Of Silence
Artist	Simon And Garfunkel
Album	Sounds Of Silence

Ab = G#
 Bb = A#
 Db = C#
 Eb = D#
 Gb = F#

Dsus2 C
 Hello darkness, my old friend,
 I've come to talk with you again,
 Bb F
 Because a vision softly creeping,
 Bb F
 Left its seeds while I was sleeping,
 Bb F
 And the vision that was planted in my brain
 Dsus2
 Still remains
 C Dm
 Within the sound of silence.

C
 In restless dreams I walked alone
 Dm
 Narrow streets of cobblestone,
 Bb F
 'neath the halo of a street lamp,
 Bb F
 I turned my collar to the cold and damp
 Bb F
 When my eyes were stabbed by the flash of a neon light
 Dm
 That split the night
 C Dm
 And touched the sound of silence.

C
 And in the naked light I saw
 Dm
 Ten thousand people, maybe more.
 Bb F
 People talking without speaking,
 Bb F
 People hearing without listening,
 Bb F
 People writing songs that voices never share
 Dm
 And no one dare
 C Dm
 Disturb the sound of silence.

Fools said i, you do not know
Silence like a cancer grows.
Hear my words that I might teach you,
Take my arms that I might reach you.
But my words like silent raindrops fell,
And echoed
In the wells of silence

And the people bowed and prayed
To the neon God they made.
And the sign flashed out it's warning,
In the words that it was forming.
And the sign said, the words of the prophets

Are written on the subway walls
And tenement halls.
And whisper'd in the sounds of silence.
Picking, here / to here
