She's been living in her uptown world
         A           D           Em
I bet she never had a back street guy

I bet her mama never told her why

Uptown girl

                        Gbm             G
She's been living in her white bread world
          A           D           Em
As long as anyone with hot blood can
                        Gbm         G
And now she's looking for a downtown man
                A
That's what I am

Uptown girl
                               Gbm          G
You know I've seen her in her uptown world
              A            D              Em
She's getting tired of her high class toys
                         Gbm          G
And all her presents from her uptown boys
            A
She's got a choice

You know I can't afford to buy her pearls
          A              D              Em
But maybe someday when my ship comes in
                              Gbm            G
She'll understand what kind of guy I've been

And then I'll win

And when she's walking
        Cm          F
She's looking so fine
Bb             Gm
And when she's talking

She'll say that she's mine
G              Em
She'll say I'm not so tough
