

THE HEART OF ROCK AND ROLL - Johnny Colla

4/4 1...2...1234

-Huey Lewis

Intro:  (8 measures)

New York, NY is everything they say and no place that I'd rather be
L.A., Hollywood, and the Sunset Strip is something everyone should see

Where else can you do a half a million things all at a quarter to three?
Neon lights and the pretty, pretty girls, all dressed so scantily

When they play their music, ooh that modern music, they like it with a lot of style
When they play their music, that hard rockin' music, they like it with a lot of flash

But it's still that same old back beat rhythm that really, really drives 'em wild
But it's still that same old back beat rhythm that really, really kicks 'em in the ----

They say the heart of R&R is still beatin', and from what I've seen I be-lieve 'em

1. Now the old boy may be barely breathin', but the heart of R&R, heart of R&R is still beatin'

(2nd verse)

2. Now the old boy may be barely breathin', but the heart of R&R, heart of R&R is still beatin'
