SOMETHING-George Harrison

4/4 1234 (slow count)

Intro: |    |

Something in the way she moves attracts me like no other lover

Something in the way she woos me

I don't want to leave her now, you know I believe, and how

Somewhere in her smile she knows that I don't need no other lover

Something in her style that shows me,

I don't want to leave her now, you know I believe, and how

You're asking me, will my love grow? I don't know, I don't know

Just stick a-round, now, it may show, I don't know, I don't know

p.2. Something

Instrumental verse

Something in the way she knows, and all I have to do is think of her

Something in the things she shows me

I don't want to leave her now, you know I believe, and how!
